# Georgia Alliance of African American Attorneys

Dear Sir or Madam,

The Georgia Association of African American Attorneys (GAAAA) is a professional organization that has advocated for the interests of minorities in the legal community of Georgia for more than three decades. We are writing to request your support through a sponsorship donation for our Annual Winter Conference and CLE. On January 12 and 13, 2024 we are gathering over 150 attorneys to connect with each other, learn from each other, and support each other.

Since its inception, GAAAA has been instrumental in the increased appointment and/or the election of Black judges, district attorneys, and solicitors throughout the state of Georgia. This year's conference theme is Access Equity and Justice and features a variety of educational sessions on topics that will help attorneys not only understand current issues but also position themselves to be more effective in their businesses.

Topics include

- Leveraging Technology and Artificial Intelligence
- Mental Health and Wellness in Your Law Practice
- Municipal Financing and Bond Arrangements
- Personal Injury Claims and Mediation
- Claims Against State and Local Governments
- Civil Rights, Voting Rights
- Women's Access to Healthcare
- And much more!

In addition to the educational sessions, our annual winter conference also offers networking opportunities, evening entertainment, and a keynote presentation from Hon. Judge Steve Jones, (ND of GA).

Please review the attached sponsorship package and make a meaningful contribution to this vital resource for the African-American legal community of Georgia.

Thank you for your consideration.

Sincerely,

Randy Frails,  
President, Georgia Association of African American Attorneys (GAAAA)
